Welcome Message

Dear Colleagues,

On behalf of the organizing committee, It's my honor to welcome you all to our annual scientific conference: TBRI Virtual Conference 2021 that will be held from the 2nd to the 4th of December. The conference will be held in the form of a series of various webinars under the theme "When Researchers Met Clinicians". The conference program targets of a large group of health professionals, biological, chemical and environmental scientists. It will feature highly respected national and internationally renowned speakers who will share, discuss, debate, and dissect significant new developments and scientific advancements that will connect the results of researches with clinical application.

I hope TBRI 2021 would be an encompassing event that will foster scientific innovation and further scholarly collaborations.

I look forward to your valuable and interactive attendance.

Thank you
